Impact:

Refinitiv was able to increase conversions at an efficient cost-per-lead (CPL) through the Microsoft Audience Network. By using LinkedIn Profile targeting they reached high-value niche audiences with customized content.

+533%

Increase in conversions

+51%

More efficient Cost-Per-Lead

"The results speak for themselves, and the Microsoft Audience Network is now a powerful tool that we have embedded into our digital marketing toolkit."

Josh Mendelowitz, Senior Search Manager, Refinitiv
