Microsoft

The Microsoft Audience Network gave New Look the opportunity and control they needed to allow performance campaigns play an upper-funnel role. This in combination with

strong shopping campaigns has delivered astonishing ROAS.

1170% Increased ROAS **130%** Increase in

clicks YOY

"My previous company was an early adopter of the Microsoft Audience Network and it's very attractive to have such high-quality placements and levers you can pull to make sure you're presenting the brand in the exact right way."

Thomas Charlwood, Paid Search Manager at New Look.
