Mother’s Day insights  US

February 2022

Microsoft Advertising. Great relationships start here.
Key takeaways

Exposé new emerging search trends and themes with Dynamic Search Ads and Broad Match.

Queries containing “mothers day” begin to spike about a week before Mother’s Day, with the highest searches occurring on Mother’s Day itself.

Gift & Experiences show clear peaks right around Mother’s Day. Apparel stays steady from March to May but are still considered popular gifts to give.

Plan campaign timing and spend accordingly to account for spikes the week of the holiday, regardless of category.

The trend toward buying locally is growing over time and half of Americans plan to shop locally this Mother’s Day.

Entice nearby shoppers to “shop local” by implementing Location Targeting.
Flowers are expected to be the most popular gift for Mother’s Day

Responses to “Which of the following would you most like to get/give as a gift for Mother’s Day?”

Gifts & Experiences peak around Mother’s Day

Retail sub-category search volume by calendar week: March to May 2018 – 2022

- **Flower Arrangement searches skyrocketed +57% YoY** during Mother’s Day 2020, likely due to pandemic lockdowns in place and easy no-contact delivery solutions for local flower shops.

- **Restaurant related searches grew 46% YoY** during Mother’s Day week in 2021 and were significantly higher than the past 3 years, suggesting people are growing more excited to venture out again.

**Pro Tip:** The top three most popular Mother’s Day purchases in 2021 were greetings cards, flowers, and special outings such as meals at restaurants and gift cards. Plan campaign timing and spend accordingly to account for spikes the week of the holiday.

2021 Apparel searches significantly beat 2020
Retail sub-category search volume by calendar week: March to May 2018 – 2022

- All four apparel sub-categories have seen some sort of spike in past years around Mother's Day, but **2021 searches were higher than previous years** and remained relatively stable from March – May. Make sure your campaigns are actively running throughout all Spring shopping months.

- **Jewelry saw a +26% YoY lift** in searches the week of Mother's Day in 2021, before falling later in May.

Pro Tip: The average US citizen spent $220.48 for Mother's Day in 2021. This was $16 more than 2020 and the number has been steadily increasing since 2018.¹ Use Merchant Promotions to display special offers on specific products or site-wide sales within Product Ads.
