Learn how Société Générale looked beyond search to open up new customer growth

Microsoft Advertising. Great relationships start here.
Customer: Société Générale
Industry: Finance
Country: France
Date: February 2023
Feature focus: Microsoft Audience Network

Impact:
Société Générale looked beyond search advertising when it came to generating new account openings. Retargeting visitors to its website through the Microsoft Audience Network opened up a new source of customer growth that’s quickly become the strongest performer in its marketing portfolio.

“Discovering the value of digital native ads has been a good opportunity for us – it’s an exciting new space for us to explore.”
