### Social Impact Awards

1. **Community Response Award**
   The Community Response Award recognizes a partner organization that has made a significant social impact this year by providing innovative and unique services or solutions to their customers, community or the environment. These changemakers enable purpose-driven actions that help either the industry, the community or drive sustainability.

2. **Marketing with Purpose Award**
   The Marketing with Purpose Award celebrates partners who take their inclusive values outside their own company and bring others along on the journey. This award recognizes a partner who demonstrates the strongest commitment to marketing with purpose, building trust with their clients and creating shared meaning. A successful entry looks at three core pillars of responsibility, values, and inclusion.

Tips for a successful nomination
Microsoft Advertising Partner Awards
Celebrating excellence

1. **Start early** – Read the categories and descriptions, start writing your story today and give yourself a big head start to increase your chances.

2. **Draft your entry offline** – It’s our recommendation to write the first version of your submission offline. Completing your official entry in the award submission tool should be the very last step.

3. **Collaboration is key** – Get together with your colleagues and the teams you worked with on your projects to pinpoint your achievements.

4. **Facts and figures** – Specific details help make your entry stand out. Make sure you back up your story with data, metrics and return on investment.

5. **Submit multiple entries** – We encourage you to submit multiple entries and nominate yourself for different categories.
Highlight the resources that have helped – When you write your entry, it is advisable that you discuss your relationship and experience working with Microsoft Advertising teams.

Linking results to objectives – Showcasing your results is great, but they should be put in the context of what you were trying to achieve.

Tell a great story – Check that you are clear on the ‘who’, ‘what’ and ‘why’ of your story in order to keep the reader engaged and interested in reading. Make it bit more human.

Check your spelling, grammar and wordcount – Take your time when looking over your entry and do a simple spell check and grammar check.

Make it professional – Why not? Professional writers can help you polish your entry, ensure that it tells your story well and that it is a good read overall.
